

Get On With It

©1986 Joe Streno / Elemental Music

Nothing we want comes easy these days
Not even for the idol rich
Wealth is something that comes in time
Forget the dollars I'm talking sense

No troubles we want but troubles we get
We keep pushing things to the side
There's no such thing as an easy life
There are no....no free rides

Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah
Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah

Depression is always taking it's toll
It's about time we communicate
Hardened hearts with cutting tongues
Altered dreams ... it's not the end

Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah
Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah

Nothing good comes easy these days
Not even for the idol rich
You're falling in that bottomless pit
Just pick yourself right back up ... and

Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah
Get on with it ... get on ... get on ... get on with it
Get on with it ... get on ... get on ... yeah
Yeah ... get on with it
