There are people living in the world without freedom  
Being told what to think and what to do  
There are people crying out tonight for freedom  
Young Lions' roars that will be heard around the world  
They're on the prowl again  
To be free in their homeland  
Unafraid of hunter  
Who has the upper hand

Freedom ... ring out  
Come on ... sing out  
Freedom ... fighters  
Freedom's' ... lions  
Roar so loud that you will be heard around the world

There are people rising in the streets for freedom  
Waiting for the day they will fly freedom's flag  
young lions make thee stand  
To be free in their homeland  
Unafraid of hunter  
Who has the upper hand

Freedom ... ring out  
Come on ... sing out  
Freedom ... fighters  
Freedom's' ... lions  
Roar so loud that you will be heard around the world  
Freedom ... ring out  
Come on ... sing out  
Freedom ... fighters  
Freedom's' ... lions  
Freedom ... freedom ...
